

2022-2023 Independent Household/Verification Worksheet

Your 2022-23 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification". In this process, MIAD will compare your FAFSA with the information on this verification worksheet and with any other documents submitted. If there are differences, your FAFSA information may need to be corrected. The law requires completion of Verification before awarding and/or disbursing financial aid. **You must complete and sign this verification worksheet, attach any required documents, and submit the form and other required documents to MIAD's Financial Aid Office within two weeks.** We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
