#### **PAYMENT PLAN AGREEMENT ADDITIONAL TERMS**

#### **Pre-Payment**

The Amount Due may be paid at any time in advance of the payment dates scheduled above at no penalty.

#### Changes to my Statement Balance

If there are any changes to my student account resulting in additional charges, I am responsible for paying the additional amount due upon receipt of my next monthly statement, or 30 days after the date said changes are made to my account. Once this PPA is signed and returned to the Student Accounts Office, the PPA Amount Due and the monthly payment amounts cannot be increased without written consent of the Student and, if different, the bank account holder.

If there are any changes to my student account resulting in a reduction of charges, MIAD will automatically reduce the last payment(s) amount.

#### **Returned Payments**

A \$15.00 Returned Payment Fee will be added to my account for any check or automatic bank withdrawal that is returned by my bank for any reason (NSF, account closed, etc.).

#### Late Payment Penalty

If I fail to make my monthly payment, a late charge of \$25.00 per missed payment will be added to my account. MIAD will provide a 10-day grace period before the late penalty will apply.

#### **Related Documents**

I am aware of and have read the MIAD Payment Plan Financial Disclosures (Truth in Lending Act) and MIAD Student Billing Rights documents that are found on the MIAD website at: https://www.miad.edu/financial-aid/cost-tuition-fees/billing
