

2026-2027 Dependent Household/Verification Worksheet

Your 2026-27 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called "Verification". In this process, MIAD will compare your FAFSA with the information on this verification worksheet and with any other documents submitted. If there are differences, your FAFSA information may need to be corrected. The law requires completion of Verification before awarding and/or disbursing financial aid. **You must complete and sign this verification worksheet, attach any required documents, and submit the form and other required documents to MIAD's Financial Aid Office within two weeks.** We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

The provided criteria for "dependent children" and "other people" mirror the requirement that family size align with those the parent(s) could claim as a dependent on a U.S. federal tax return, if the parent(s) were to file a U.S. federal tax return at the time of completing the 2026-2027 FAFSA. As a result, any unborn children should not be included in the family size.
