

FALL 2026 Recurring Payment Authorization

NOTE: Monthly Payment Plans do not renew automatically. You must return this payment authorization and the plan agreement for a Fall 2026 Plan.

By signing below, I authorize MIAD to make withdrawals from my bank account or charge my debit or credit card and, if necessary, make adjusting debit or credit entries for any withdrawals made in error to my account referenced above. This authorization will remain in effect until revoked by me, in writing, or until revoked by MIAD. Scheduled payment dates and amounts are specified on the corresponding Payment Plan Agreement along with applicable fees for setup fees, late or missed payments. **Payments cannot be split between payment methods.** Complete information for either a bank account or a card.

Accountholder Signature: Date:

Accountholder Phone Number: Accountholder Email:

If the payment account holder is different than the student, the student entering into the payment plan agreement authorizes MIAD to contact the payment account holder regarding the account, its balance, or any payment arrangements.

Account information is collected at the start of each academic year.
Please complete one type of payment (bank or card) below.
