Minor Information:

Students have the option of declaring a minor to enhance their Major program of study. Studio majors may be declared as minors as well as critical studies and minors through a cross-registration agreement at Marquette University.

A minor consists of a minimum of 15 credits, and may double count towards major requirements if applicable. (example: studio minor classes will apply towards studio electives in a Major program of study and HUMT/WRTG cross-listed classes will apply towards a required Humanities class and towards a writing minor.)

Please complete the minor declaration form below when you have completed **or** are registered for a minimum of 6 credits towards the anticipated minor, and return the form to the Registrar's office*.

The credits of a minor must be completed at the Milwaukee Institute of Art & Design if they are part of the final 30 residency credits (unless they are part of an approved Marquette minor). See the student handbook for Residency Policy.

Be aware that courses may have prerequisites and/or may not be offered every semester. Please plan accordingly. It may take additional semesters, including summer to complete a minor.

*Art Education must be declared after meeting with Ashley Luchinski. A separate form is used.
