2014-2015 HONOR ROLL OF DONORS

Your passion inspires us.  
*Thank you.*

## OUR STUDENTS

Your generous donations make a lasting difference in our students' lives, providing them access to an inspired curriculum and community of collaborative learners.

Emily Ebert '15 (Communication Design) took full advantage of the opportunities to experiment and explore myriad media and careers on her pathway toward becoming a creative professional. She studied printmaking, drawing, painting and photography, while earning a natural sciences minor at MIAD and an advertising minor through MIAD's partnership with Marquette University.

The American Institute of Graphic Arts recognized her passion for creativity with the 2014 AIGA Wisconsin Student Excellence Award. Ebert's passion led to her profession as Art Director at Milwaukee's BVK.

*"From my earliest moments at MIAD, scholarships shaped my future. As a high school student, I received a scholarship to MIAD's Pre-College program. I quickly learned the importance of diversified learning, both in what I learned and in how I learned."*
